

## Spine, Spine, Spine by Neurospine Institute

Inovating, in partnership with Mount Private Hospital and Neurospine Institute is hosting a webinar for General Practitioners via Zoom.

Join us online for an event designed specifically for GPs. Hear from specialists from the Neurospine Institute on AI in Spinal Surgery and Cervical and Lumbar Total Disc Surgery.

Online webinar via Zoom

**THURSDAY 21 AUGUST 2025**  
**6.30PM - 8.00PM (AWST)**

### AGENDA

6.00pm Meeting opens and delegates log in

6.30pm Dr Paul Taylor

#### How Artificial Intelligence is Going to Change Spine Surgery

Dr Paul Taylor is an experienced surgeon focusing on spinal surgery. His extensive training and experience in both orthopaedic and neurosurgical spine surgery has been gained in Australia and Internationally. He has particular expertise in adult deformity surgery, minimally invasive spine surgery and anterior spine surgery.

7.15pm Dr Michael Kern

#### Cervical and Lumbar Total Disc Surgery

Dr Michael Kern specialises in minimally invasive spine and brain tumour surgery, with expertise in motion preservation and complex fusion techniques. He consults regularly in regional Western Australia and is an active member of several medical committees at Mount Hospital.

8.30pm Wrap up and meeting close
